Cub Pack 733

Members of Cub Pack 733, sponsored by the North Torrance Civic Improvement Assn., will canvass the north Torrance area Saturday to take orders for doughnuts.

The Cubs are being organized into sales groups by Johnson Hamman, and will be assigned territories. They will arrange for the sale and delivery of the doughnuts.

Cubmaster Robert Betts is supervising the annual fundraising event.

Brownie Troop 445

Brownies of Troop 445, sponsored by Perry School PTA, led by Mrs. Helen Kohler, were quite busy last month.

They collected gifts for elderly patients at Harbor General Hospital and devoted their Christmas party meeting to wrapping the packages which were delivered on Christmas Eve. Besides gifts for the patients themselves, they were given toys which could in turn be given to patients' families and grandchildren.

As a treat from their Mothers' Club, the girls also enjoyed a trip to Troupers Playhouse in Hollywood.

The child in the audience whose birthday fell closest to the star's own birthday, was presented with a pearl charm bracelet. They were fortunate in having their own Catherine Price receive this gift which added to the excitement of the day.

En route home, the girls stopped for treats. Adults assisting Mrs. Kohler for this excursion were Mrs. Evelyn Hakala, co-leader, Mrs. Barbara Sturgis, and Mr. Kohler.

Cub Pack 222-C

Mrs. Fred Dowe, 20954 Halldale, den mother of the newly accepted Den 5 of Cub Pack 222-C held a meeting, in her home last week, to welcome the mothers of the new members and to explain the program of Cubbing.

Mrs. Dowe outlined the spring program of handicraft and explained that the Cub Scout program includes the making of tom toms, tomahawks, full Indian costumes, and includes the learning of the Indian symbolisms used in the costumes.

The mother's part in the project, Mrs. Dowe pointed out, is to assist the youths in the completion of the project at home. The project is slated to be completed by June in time to display the handicraft project at the regular monthly pow-wow at Normandale playground.

Those attending were Mmes. Eddie Winters, assistant den mother; Cecil Johns; Earl Malone; Harry Hamada; Herbert Clark; William Parris. Doughnuts and coffee were served.

Cub Pack 966-C

Ship's Cook L. R. Bressette, prepared and served lunch for the group. He informed them that he prepared food for 1000 men daily. Mrs. Kemp stated that this appeared to be done with less effort than she normally expended in preparing meals for her family of four. Seaman Bowerman and Ship's Cook Bressette were invited to attend the monthly Pack meeting.
